Storage Container

Shortly you will see a large storage container arrive in our front playground. This has been funded by Falkirk Council's Transport Planning Unit for Sustainable Transport to encourage outdoor learning and active travel. We will be using it to store lots of equipment that the children will use as part of outdoor learning and more resources that they can access to play with during breaks and lunches.

Safety – of all, especially your children !!!!!!!

- The staff car park is for staff only! NOT a drop off or pick up point for children!
- Zigzag lines and double yellow lines are not to be parked on at any point!
- Please **do not** walk through the carpark with your children at the start and end of the school day!

Lately we have become increasingly concerned about the behaviour of a number of **adults** at the start and end of the school day as they arrive and leave in their cars! You are affecting the safety of everyone with dangerous parking - blocking the safe exit and entry to school for the children! Park further away from the school and walk to drop off or meet your children!

Learning out and about.....

P2M, P5/6 and P6 all visited the canal at Lock 11 to learn about the changes taking place there and how the wildlife and aquatic life were being rescued for the works to take place.

P6 children took part in the Falkirk Athletics event this week – well done to all!

All Primary 7s have visited Falkirk High School as part of their transition activities to High School.

Well done to Primary 6 children who took part in the Falkirk wide 'Euro Quiz' this week.

P7 Enterprise Cake Sale
