

Bantaskin Blether

23rd Sept 2022

Welcome Back!

It was great to be able to open our doors once again this week and welcome families back in to the building. Thank you all for such an incredible turn out. We all look forward to working closely together in the future to support the continuous improvement of the school and the learning of all children. For those not able to join us the class teachers will send home their learning overview and the PowerPoint from my talk will be emailed shortly.

Dates for your diary

Thursday 29th 10:00-11:00
MacMillan Coffee morning

(a separate message has been sent with information for this).

Towards the end of each month we plan on holding a 'Brew and Blether' for families in school. This will be a time to informally meet with other families and staff over a cuppa. Further dates for these will be shared shortly.

Temporary Heras Fencing

At short notice we were informed that Falkirk Council will be replacing the roofing felt on the pitched roof as part of planned maintenance. Heras fencing has been installed on both sides of the building as a protective measure (at the front for storage – at the back at a protective distance from the building). He works should be completed in the next 2 weeks. Please ensure that children don't go on or near the fences (as we will also ensure happens during the school day).

PTA / Parent Council

The school needs your help! Many of the previous committee members have now moved on as their children have gone to High School. We would love to reinstate previously held social events for the children as well as consider new ones – but for these to happen more volunteers are required to support the work of the PTA (for fundraising) and the Parent Council (for supporting school improvement). Please get in touch for more details.

@bantaskinps

We plan on sharing short snippets of news on a weekly basis with you. Any comments or feedback will always be welcomed. Have a lovely weekend everyone ☺
