"Beat the Street"

'Beat the Street' is now live! So - its time to be getting round the community tapping your card (or phone) at the collection points – and doing the same coming and going to school. The more you tap the stations the more points you gain meaning the more chance you have of winning prizes for yourself and the school.

We are
entering the
last week –
let's keeping
active!

School lunches

All lunches now need to be ordered **a week in advance online for all children** – whether you are entitled to receive a free school meal or you pay for it! You also indicate on the system if your child is bringing a packed lunch with them. The structure will be as follows –

- All lunches will need to be ordered by midnight each Monday evening for the following week.
- If lunches are not ordered by midnight on the Monday then you will need to provide a packed lunch from home each day during the following week.

These orders now go direct to the school kitchen who need a week in advance to place orders for the food.

Parent Council - Fundraising

A special thank you to the Parent Council and all those who volunteered to organise and run the 2 recent events – Quiz Night and Disco! Great fun was had by all with money also being raised to support resourcing of new materials for the school.

Rights Respecting Schools Award (RRSA)

This session we have been working to further develop UNICEF's RRSA across the school recognising and understanding children's rights. We will be applying for our Bronze status (and will achieve this – a huge well done to Mr Finlay and Mrs Mullen for leading this for our school) and will then be working towards planning for our Silver Status next session.

...RRSA (cont.) 2

The United Nations Convention on the Rights of the Child (UNCRC) is an international human rights treaty that grants all children and young people a comprehensive set of rights. These are the focal point for us to further develop RRSA across our school.

...RRSA (cont.) 3

One thing we would like to include as part of our development is a committee made up of staff, pupils and parents. If you would like to be part of this committee / steering group can you please let the school office know. No prior experience or knowledge of the UNCRC or RRSA is needed – just a desire to support the further development of the school.

Parking

A reminder to those who bring their car to school at drop off or collections times – outside the school there are double yellow lines indicating that we should not park there! This is to protect all children, helping them to safely enter and exit the school. Please park away from the school (if you require your vehicle) and walk to the building!

Dates for your diary!

- * June 23rd - End of Year Reports to be issued
- * Last day of term – Friday June 30th 1:30 finish

The children have enjoyed a wealth of different opportunities and experiences this week as part of 'Health Week.' Please see all the various feeds on Twitter for photographs of the main things that happened!

Place2Be

Place2Be is a children's mental health charity that support children and families in person and online. Their website offers extensive support for families in supporting many aspects that concern adults in managing the modern world. Type in the link below to see what supports they have for the whole family.

Information Evening School Camp (2023/2024) Wednesday 7th June at 6pm

For current Primary 6 families we will be holding an information evening to share more about 'Dalguise' and what school camp will look like for the Primary 7s next year. Children are welcome to attend this with their families. (more information will be shared shortly about this).

Classes session 2023/2024

We continue to work as a staff team to re-organise the class structures for next session. This will all be completed within the next fortnight with structured transitions beginning after that. This year we will be enhancing our transition work for all children with a minimum of 4 sessions with their new class and new teachers before the end of term. This will include 2 sessions in each of the last 2 weeks with their new classes/teachers as they get to know each other and start to plan for the new session ahead in August.
