- * Thursday 13th June – School Sports Day (more information will come out closer to the time)
- * Friday 28th June – last day of term (1:30 closure)

P2M Class Assembly

You should have already received notification but just to confirm – the class assembly will now take place on Wednesday 29th May at 2:20. Thank you

Deaf Awareness Week

This week was national 'Deaf Awareness Week' with each class dedicating time to increasing our understanding of Deaf culture, history and the challenges faced by the Deaf community. Classes across the school learned new signs for stories and 'Children's Rights,' about technology and devices to support hearing (and how that has developed over the centuries) about key inspirational people who developed supports for deaf people and giving weather forecasts. The children shared their learning at assembly – with great presentations, use of technology and a great dramatisation of the life of Thomas Edison (well done P6B!).

School values/ badge

Thank you to everyone who has shared their thoughts regarding our school values and provided ideas of what a new badge could look like. We are looking through all of these ideas with the children and hope to come to a decision within the next 3 weeks. These will all be ready for new uniforms after the summer holidays (more details will follow shortly). If you would still like to share ideas for our badge or school values then please send these in to the school office for them to join with the range of ideas that we are discussing at present.

Bikeability

Primary 7 will be working on their Level 2 training next week.

Ready
Kind
Safe
